

# Savannah Convention Center Announces Frictionless Pay by Phone Parking Experience

We're excited to announce that, **starting February 8, 2025**, the Savannah Convention Center is teaming up with Metropolis Parking to offer a frictionless parking experience. No waiting in line to pay. This new Pay by Phone parking system allows you to pay at your convenience. Here's how it works.

## New to Metropolis?

<b>1</b>	Scan the QR above to get started.
<b>2</b>	Add your phone number, license plate and payment method to sign up.
<b>3</b>	Just drive out when you're ready and we'll automatically charge your account.

## Already signed up?

Just drive out to pay. Really. We'll automatically charge your account and send you a receipt.

We have two convenient parking options available:

- 1. Surface Lot:           \$10
- 2. Parking Garage:       \$20

For those days with very high attendance, we will utilize and overflow lot and provide shuttles to and from the facility. The rate for the overflow lot will be \$5.00.

Should you have any additional questions, please check out the Frequently Asked Questions located on our website.

We can't wait to welcome you to the Savannah Convention Center, and we aim to make your parking experience a seamless one.
